

## Main Home page Changes-

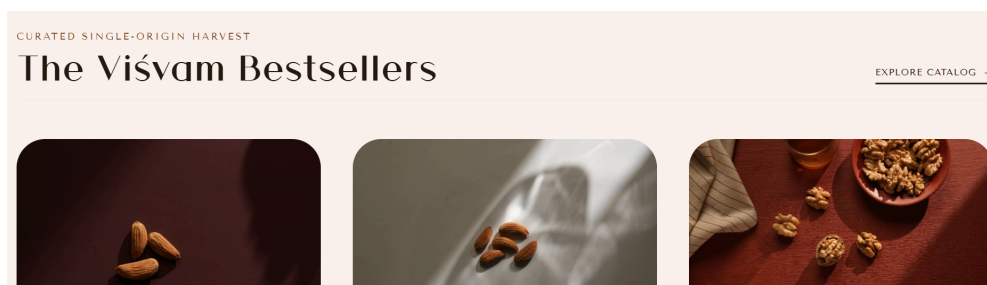

1. Under the Gourmet tab- please write 'Curating for you' like done for Gifting.
2. Under Nuts & Dried fruits- Please highlight Walnuts and Mamra Almonds.

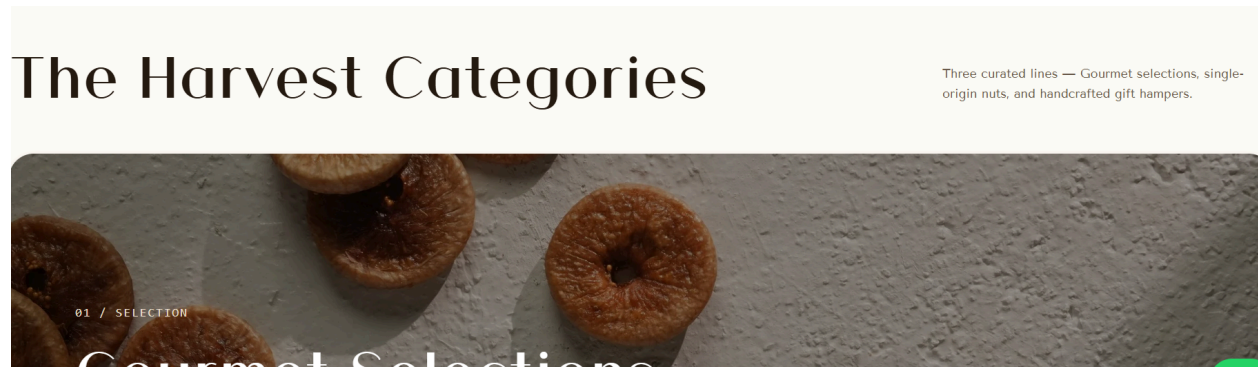

3. For cart : Please remove the harvest word from everywhere, Pls remove 'Add ₹999 more for free express shipping' and add "Free shipping on orders above 3499, remove the 'Nitrogen flushing, 100% quality guaranteed'.
4. Under 'Your bag is empty' pls remove this- Explore our handpicked almonds, W240 cashews, and Kashmiri walnuts to get started.
5. For frequently bought together- pls add walnuts, almonds and cashews.

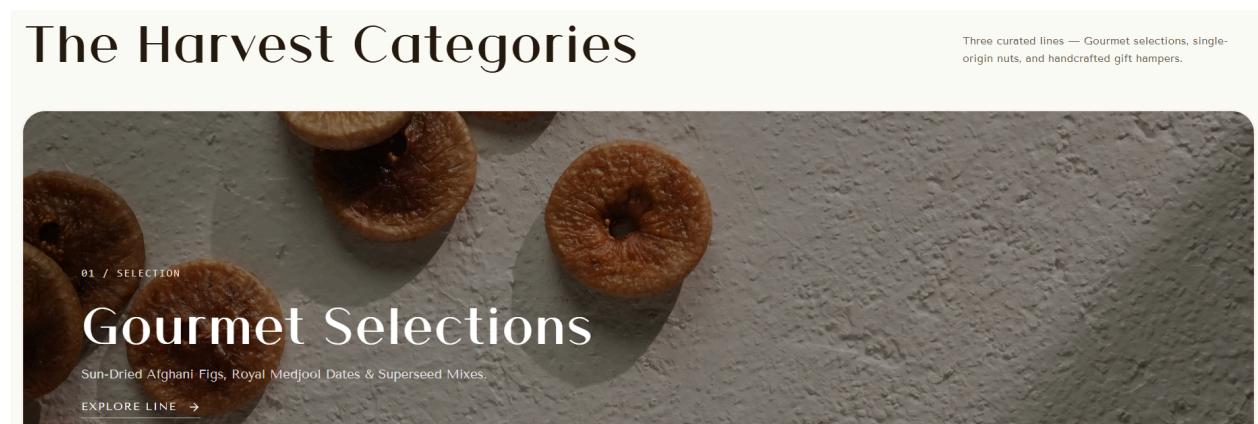

6. Remove 'curated single origin harvest'- just below the hero video & replace word catalog with 'collection'

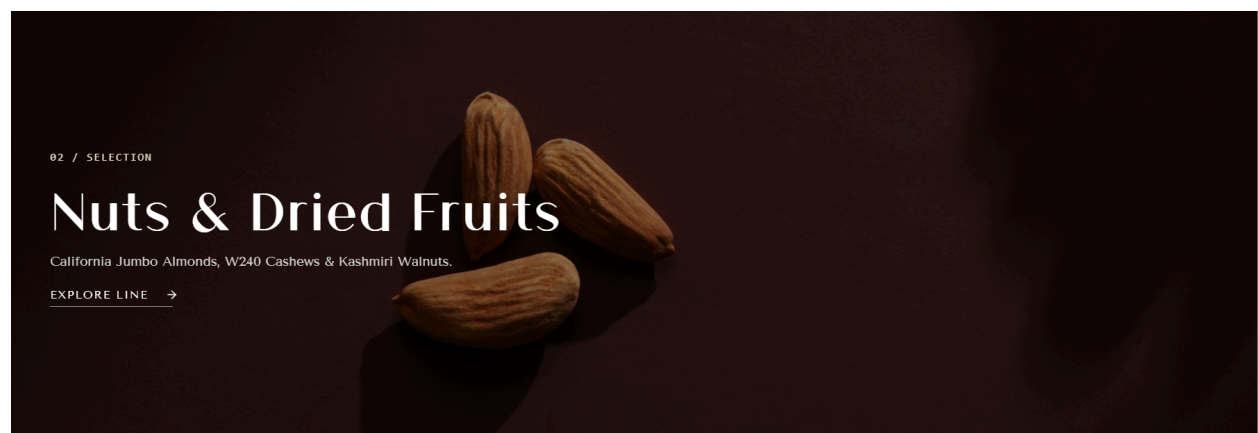

7. Just below the bestsellers- pls remove the header of “Harvest categories” and replace with ‘The ritual selects’ & remove the line ‘three curated lines....’  
Move nuts and dried fruits in the first place, then gourmet and gifting like did for header.

8. Under The gourmet selection, remove sun dried etc etc and replace with - The little joys we love to share—sweet, savoury, and made for togetherness. Remove 01/selection , 02/selection etc

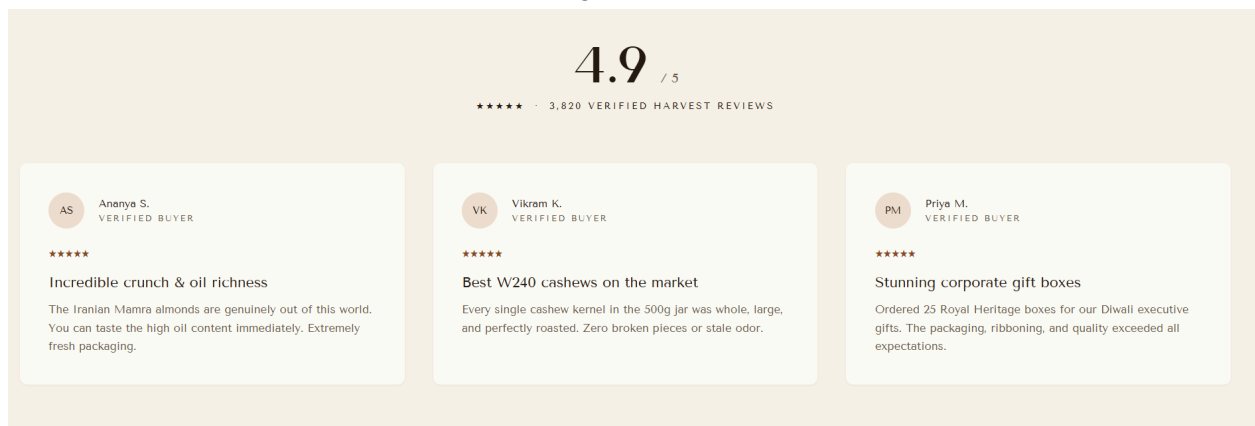

9. For Nuts and dried fruits- please remove california jumbo almonds etc and replace with “Every nut is hand-picked for depth of flavor, elegantly packaged to deliver a hushed yet unmistakable sense of refinement.” Remove 02/selection.

10. Remove the 'Royal gift hampers' section completely.

11. Remove the reviews on the home page.

12. Pls lessen the gap b/w shop now and Support.
