

Dear Visvam Team,

We have successfully configured and shared the live preview links for both your **Website** and **Admin Panel**. To prepare for the launch, please review the recommended features below and select your preferences so we can enable them.

## 1. AUTOMATED EMAIL & NEWSLETTER SYSTEM

### A. Subscriber Newsletter & Welcome Email

**ESSENTIAL**

When a customer enters their email in the website footer or popup, an automated welcome email is sent instantly.

Your Preference / Decision:

- ☐ Send Welcome Email with 10% Discount Code (e.g., WELCOME10 )
- ☐ Send Welcome Email with Flat Discount (e.g., ₹100 Off on 1st Order)
- ☐ Send Brand Welcome Email without discount

### B. Transactional Email Notifications

**ESSENTIAL**

Automated emails sent to customers during their order journey to build trust and cut down customer service inquiries.

Automated Triggers Included:

- ☐ **Order Placed:** Instant itemized receipt & order confirmation.
- ☐ **Order Dispatched:** Shipping details & live courier tracking link.
- ☐ **Order Delivered:** Delivery confirmation & thank-you note.

### C. Advanced Email Automation Options

**HIGH REVENUE IMPACT**

Smart email sequences that automatically recover lost sales and re-engage interested buyers.

Select Automations to Enable:

- ☐ **Abandoned Cart Recovery:** Automated email sent 1 hour & 24 hours after a customer leaves items in their bag (recovers 15–25% of lost carts).
- ☐ **Back-in-Stock Alerts:** Automatically notifies waiting customers when an out-of-stock product is restocked.

## ● 2. WHATSAPP CHAT & AUTOMATED NOTIFICATIONS

### A. WhatsApp Live Chat & Order Notifications

WHATSAPP POWERED

WhatsApp is the #1 preferred channel for Indian e-commerce shoppers.

#### WhatsApp Features:

- ☐ **Live Floating WhatsApp Support Widget:** Direct 1-click chat button on website.
- ☐ **Automated WhatsApp Order Alerts:** Send instant Order Confirmation & Tracking updates to customer's WhatsApp number.
- ☐ **Automated Post-Delivery Review Request:** 2 days after delivery, send an automated WhatsApp message asking for a 5-star rating & review!

## ● 3. MARKETING COUPONS & LOYALTY PROGRAMS

### A. Dynamic Discount & Promo Code Engine

GROWTH TOOL

Full control from your Admin Panel to create, enable, or disable discount codes.

#### Coupon Types Supported:

- ☐ Percentage Discounts (e.g. 15% OFF) or Fixed Amount (e.g. ₹200 OFF).
- ☐ Minimum Order Value Conditions (e.g. Free shipping / ₹300 OFF on orders above ₹1,499).
- ☐ Category-Specific Coupons (e.g. Gifting Hampers discount).

### B. Customer Loyalty & Referral System

CUSTOMER RETENTION

Encourage repeat purchases and word-of-mouth growth.

#### Loyalty Options:

- ☐ **Refer a Friend Program:** Give ₹100 to a friend, Get ₹100 when they place an order.
- ☐ **Visvam Reward Points:** Earn 5% back as reward points on every order for future purchases.
- ☐ **Custom Gift Packaging Option:** Allow buyers to add a personalized message & luxury gift box (+₹99) at checkout.
